

The UMass Donahue Institute

Established in 1971, the UMass Donahue Institute is a public service, research, and economic development arm of the University of Massachusetts President's Office. Our mission is to apply theory and innovation to solve real world challenges and enable our clients to achieve their goals and aspirations. We serve clients in the public, non-profit, and private sectors in the Commonwealth and throughout the nation and the world. For more information: www.donahue.umassp.edu.

About Us

Nonprofit Funding & Fiscal Solutions is a mission-driven consulting group that supports nonprofit organizations to create cultures and systems that result in fundraising success and stable financial infrastructure. Our services include training, consultation, coaching/mentoring, and hands-on intervention and services. As former nonprofit managers and fund development directors, we move beyond theory to help nonprofits translate their fund development goals into practical, real-world plans and strategies that deliver results.

Our Clients

We deliver services to a wide variety of nonprofits, including:

- ▶ human service agencies
- ▶ educational institutions
- ▶ health care providers
- ▶ social change/social justice groups
- ▶ United Ways
- ▶ arts organizations
- ▶ museums
- ▶ private foundations
- ▶ faith-based groups
- ▶ international non-governmental organizations (NGOs)
- ▶ community coalitions

We believe that nonprofits of all sizes deserve the best we have to offer, and we serve them all, from small, grassroots start-ups to large multi-million dollar national and international organizations. We most commonly work with leadership teams, boards, executive and middle managers, fund development staff, and community members.
